

MILLWRIGHT, PM (NIGHT SHIFT)

Job Type: Fulltime, Permanent

Location: Guelph, ON

Would you like to be a part of a revolution in agriculture in Canada? If so, we would love to hear from you!

At GoodLeaf Farms we are a proud Canadian company at the forefront of innovation, striving to grow food security for communities from coast to coast. We are breaking ground in an industry that is quickly proving itself to be sustainable, not only environmentally but economically and socially as well. We are focused on producing ultra-fresh greens, 365 days a year using no harsh chemicals, a carbon footprint that is just half that of a traditional farm and using less than 10% of the water traditionally used, to create a world where plants thrive!

Why work at GoodLeaf Farms?

It is our commitment to provide you with the work environment and tools necessary to be successful in your role. We hope that you will find your work here rewarding, challenging, and meaningful.

- You will have the opportunity to take your career to the next level. GoodLeaf is growing and we want you to grow along with us!
- We have an entrepreneurial and inclusive spirit with the heart of a start-up.
- We foster an environment of cooperation and communication.
- We have competitive compensation and benefits

Every day at GoodLeaf Farms we get to help solve the challenge of food security for communities across Canada and do it in innovative ways that inspire healthy lifestyles. We think that's exciting and the best reason of all to join us!

What we are looking for

As an Industrial Millwright on the night shift, you will play a crucial role in maintaining the operational efficiency of our facility. You will be responsible for executing preventative maintenance tasks, troubleshooting machinery issues, and ensuring the overall reliability of equipment critical to our production processes.

Role & Responsibilities

1. **Preventative Maintenance:** Execute scheduled preventative maintenance tasks on a variety of industrial machinery, including conveyors, pumps, motors, and production equipment to minimize downtime and ensure optimal performance.
2. **Troubleshooting:** Diagnose and resolve mechanical, electrical, and hydraulic issues efficiently to minimize production interruptions and maintain the continuous flow of operations.
3. **Equipment Installation and Repair:** Participate in the installation and repair of new and existing equipment, ensuring that all machinery meets safety and operational standards.
4. **Documentation:** Maintain accurate records of maintenance activities, equipment repairs, and parts usage to contribute to the development of an effective maintenance history.
5. **Collaboration:** Work closely with production and engineering teams to understand equipment requirements, provide technical support, and contribute to the overall improvement of the manufacturing process.
6. **Safety Compliance:** Adhere to all safety protocols and guidelines, actively participating in safety programs and initiatives to create a secure working environment.

Qualifications & Educational Requirements

- **Industrial Millwright Certification:** Possess a valid Red Seal Industrial Millwright certification.
- **Technical Skills:** Strong mechanical aptitude with expertise in troubleshooting and repairing industrial machinery. Proficiency in interpreting technical drawings and schematics.
- **Team Player:** Ability to work collaboratively within a team environment and communicate effectively with colleagues at all levels.
- **Adaptability:** Willingness to work night shifts (7:00 PM to 7:00 AM) and the flexibility to respond to emergency maintenance situations.
- **Safety Conscious:** Demonstrate a commitment to safety and adhere to all safety regulations and procedures.

GoodLeaf Farms is a mandatory COVID-19 vaccination employer.

GoodLeaf Farms is an equal opportunity employer and prohibits discrimination and harassment of any kind. All employment decisions at GoodLeaf Farms are based on business needs, job requirements and individual qualifications, without regard to race, colour, age, religion, sex, sexual orientation, gender identity, national origin, or disability status.
